8.8 Premium Adjustment

If within twelve (12) months after the expiry or anniversary date of this Policy the Insured shall file with us a premium adjustment application form showing that 100% of Rental Income, certified by the Insured's auditors as earned during the Insured's financial year most nearly concurrent with the annual term of the Policy (or a proportionately increased multiple thereof where the maximum Indemnity Period exceeds twelve (12) months), was less than the total amount of insurance and Rental Income, then we will allow in respect of the difference a return of premium not exceeding 50% of the premium paid by the Insured under this Part B in respect of such Rental Income.

EARTHQUAKE ENDORSEMENT

The following extension is subject to all terms and provisions of Section II except as specifically modified hereunder and applies only to those buildings which are insured under this Section II and for which an Earthquake Deductible is indicated under the Memorandum of Insurance. If an Earthquake Deductible is not indicated on the Memorandum of Insurance this coverage does not apply.

This endorsement modifies the coverage provided under the Rental Income Policy to which it is attached as follows:

This insurance is hereby extended to include loss, as insured by the Policy, resulting from physical loss or physical damage caused directly by the peril of earthquake subject to the following conditions:

EARTHQUAKE

1. For the purpose of this endorsement, earthquake shall include snowslide, landslide or other earth movements occurring concurrently with and directly resulting from an earthquake shock.

Each loss caused by earthquake shall constitute a single claim hereunder, provided that more than one earthquake shock occurring within any one hundred and sixty-eight (168) consecutive hours during the term of this Policy shall be deemed a single earthquake within the meaning hereof. Notwithstanding the foregoing, we shall not be liable for any loss or damage caused by any earthquake shock occurring before this endorsement becomes effective nor for any loss or damage caused by any earthquake shock occurring after the expiration of this Policy.

AGGREGATE LIMIT

Notwithstanding all other limits of insurance shown on the Memorandum of Insurance, the most we will pay for all loss or damage caused directly or indirectly by earthquake in any one (1) policy year, regardless of the number of claims involving earthquake, is the Annual Aggregate limit of insurance shown on the Memorandum of Insurance for earthquake.

“**Annual Aggregate**” means the maximum amount of loss or damage payable in any one (1) policy year, regardless of the number of Occurrences within the same policy year.

DEDUCTIBLE CLAUSE

2. (a) Earthquake deductible applicable to Cresta zones 1-4 in the Province of British Columbia:

When the amount of insurance as shown on the Memorandum of Insurance at the time of loss is \$500,000 or less, we are liable for the amount by which the physical loss or physical damage caused by earthquake exceeds 15% of the amount of insurance as shown on the Memorandum of Insurance.

When the amount of insurance as shown on the Memorandum of Insurance at the time of the loss is in excess of \$500,000, we are liable for the amount by which the physical loss or physical damage caused by earthquake exceeds 15% of the amount of insurance as shown on the Memorandum of Insurance subject to a \$250,000 minimum deductible in any one occurrence.

- (b) Earthquake deductible applicable to Quebec and the Province of British Columbia, excluding Cresta zones 1-4 in the Province of British Columbia:

When the amount of insurance as shown on the Memorandum of Insurance at the time of loss is \$500,000 or less, we are liable for the amount by which the physical loss or physical damage caused by earthquake exceeds 10% of the amount of insurance as shown on the Memorandum of Insurance.

- (c) Earthquake deductible applicable to the rest of Canada excluding the Provinces of British Columbia and Quebec:

When the amount of insurance as shown on the Memorandum of Insurance at the time of loss is \$500,000 or less, we are liable for the amount by which the physical loss or physical damage caused by earthquake exceeds 5% of the amount of insurance as shown on the Memorandum of Insurance.

Should the Named Insured have any other valid policy with us, where insurable property is also insured with earthquake coverage at the insured location shown on the Memorandum of Insurance, only one deductible would apply per earthquake occurrence; whichever deductible is greater.

This deductible clause supersedes the provisions of any other deductible clause stated elsewhere in the Memorandum of Insurance.

GENERAL CONDITIONS

(Province of Quebec)

This Policy is subject to the Civil Code of Quebec.

Preference to Civil Code articles in some instances is for easier reading only and should not be construed as exact quotations.

For all coverages except where inapplicable.

1. STATEMENTS

1.1 Representation of risk (Article 2408)

The client, and the Insured if the Insurer requires it, is bound to represent all the facts known to him which are likely to materially influence an insurer in the setting of the premium, the appraisal of the risk or the decision to cover it, but he is not bound to represent facts known to the Insurer or which from their notoriety he is presumed to know, except in answer to inquiries.

The client means the person submitting an insurance application.

1.2 Material change in risk (Articles 2466 and 2467)

The Insured shall promptly notify the Insurer of any change that increases the risks stipulated in the Policy and that results from events within his control if it is likely to materially influence an insurer in setting the rate of the premium, appraising the risk or deciding to continue to insure it.

On being notified of any material change in the risk, the Insurer may cancel the contract or propose, in writing, a new rate of premium. Unless the new premium is accepted and paid by the Insured within thirty days of the proposal, the Policy ceases to be in force.

1.3 Misrepresentations or concealment (Articles 2410, 2411 and 2466)

Any misrepresentation or concealment of relevant facts mentioned in section 1.1 and in the first paragraph of section 1.2 by the client or the Insured nullifies the contract at the instance of the Insurer, even in respect of losses not connected with the risk so misrepresented or concealed.

Unless the bad faith of the client or of the Insured is established or unless it is established that the Insurer would not have covered the risk if he had known the true facts, the Insurer remains liable towards the Insured for such proportion of the indemnity as the premium he collected bears to the premium he should have collected.

1.4 Warranties (Article 2412)

Any increase in risk resulting from a breach of warranty suspends the coverage until accepted by the Insurer or until such breach has been remedied by the Insured.

2. GENERAL PROVISIONS

2.1 Insurable interest (Articles 2481 and 2484)

(Applicable only to property insurance)

A person has an insurable interest in a property where the loss or deterioration of the property may cause him direct and immediate physical damage. It is necessary that the insurable interest exist at the time of the loss but not necessary that the same interest have existed throughout the duration of the contract. The insurance of a property in which the Insured has no insurable interest as null.

2.2 Changes (Article 2405)

The terms of this Policy shall not be waived or changed except by endorsement.

2.3 Assignment (Articles 2475 and 2476)

This Policy may be assigned only with the consent of the Insurer and in favour of a person who has an insurable interest in the insured property.

Upon the death or bankruptcy of the Insured or the assignment of his interest in the insurance to a co-insured, the insurance continues in favour of the heir, trustee in bankruptcy or remaining Insured, subject to his performing the obligations that were incumbent upon the Insured.

2.4 Books and records

The Insurer and its authorized representatives shall have the right to examine the Insured's books and records related to the subject matter of this insurance at any time during the period of this Policy and the three subsequent years.

2.5 Inspection

The Insurer and its authorized representatives shall have the right but are not obligated to make inspections of the risk, give the Insured reports on the conditions found and recommend changes. Any inspections, surveys, reports or recommendations relate only to insurability and the premiums to be charged. They shall not constitute a warranty that the premises, property or operations are safe or healthful or comply with laws, codes or standards.

2.6 Currency

All limits of insurance, premiums and other amounts in this Policy are in Canadian currency.

3. LOSSES

3.1 Notice of loss (Article 2470)

The Insured shall notify the Insurer of any loss which may give rise to an indemnity, as soon as he becomes aware of it. Any interested person may give such notice. In the event that the requirement set out in the preceding paragraph is not fully complied with, all rights to compensation shall be forfeited by the Insured where such non-compliance has caused prejudice to the Insurer.

3.2 Information to be provided (Article 2471)

The Insured shall inform the Insurer as soon as possible of all the circumstances surrounding the loss, including its probable cause, the nature and extent of the physical damage, the location of the insured property, the rights of third parties, and any concurrent insurance; he shall also furnish him with vouchers and swear or warrant to the truth of the information.

Where, for a serious reason, the Insured is unable to fulfil such obligation, he is entitled to a reasonable time in which to do so. If the insured fails to fulfil his obligation, any interested person may do so on his behalf.

In addition, the Insured shall forthwith send to the Insurer a copy of any notice, letter, subpoena or writ or document received in connection with a claim.

3.3 False representation (Article 2472)

Any deceitful representation entails the loss or the right of the person making it to any indemnity in respect of the risk to which the representation relates. However, if the occurrence of the event insured against entails the loss of both movable and immovable property, or of both property for occupational use and personal property, forfeiture is incurred only with respect to the class of property to which the representation relates.

3.4 Intentional Fault (Article 2464)

The Insurer is never liable to compensate for injury resulting from the Insured's intentional fault.

Where there is more than one Insured, the obligation of coverage remains in respect of those Insureds who have not committed an intentional fault.

Where the Insurer is liable for injury caused by a person for whose acts the Insured is liable, the obligation of coverage subsists regardless of the nature or gravity of that person's fault.

3.5 Notice to police

(Applicable to property insurance only)

The Insured must promptly give notice to the police of any loss caused by vandalism, theft or attempted theft or other criminal act.

3.6 Safeguarding and examination of property (Article 2495)

(Applicable to property insurance only)

At the expense of the Insurer, the Insured must take all reasonable steps to prevent further loss or damage to the insured property and any further loss or damage resulting directly or indirectly from the Insured's failure to take such action shall not be recoverable.

3.7 Admission of liability and cooperation (Article 2504)

The Insured shall cooperate with the Insurer in the processing of all claims.

No transaction made without the consent of the Insurer may be set up against him.

The Insured shall not admit any liability nor settle or attempt to settle any claim, except at his own cost.

3.8 Right of action (Article 2502)

(Applicable to liability insurance only)

The Insurer may set up against the injured third person any grounds he could have invoked against the Insured at the time of the loss, but not grounds pertaining to facts that occurred after the loss; the Insurer has a right of action against the Insured in respect of facts that occurred after the loss.

4. COMPENSATION AND SETTLEMENT

4.1 Basis of settlement (Articles 2490, 2491 and 2493)

(Applicable to property insurance only)

Unless otherwise provided, the Insurer shall not be liable for more than the actual cash value of the property at the time of the loss as normally determined.

In unvalued policies, the amount of insurance does not make proof of the value of the insured property. In valued policies, the agreed value makes complete proof, between the Insurer and the Insured, of the value of the insured property.

If the amount of insurance is less than the value of the property, the Insurer is released by paying the amount of the insurance in the event of total loss or a proportional indemnity, in the event of partial loss.

4.2 Pair and set

(Applicable to property insurance only)

In the case of loss of or damage to any article or articles, whether scheduled or unscheduled, which are part of a set, the measure of loss of or damage to such article or articles shall be a reasonable and fair proportion of the total value of the set, but in no event shall such loss or damage be construed to mean total loss of set.

4.3 Parts

(Applicable to property insurance only)

In the case of loss of or damage to any part of the insured property, whether scheduled or unscheduled, consisting, when complete for use, of several parts, the Insurer is not liable for more than the insured value of the part lost or damaged, including the cost of installation.

4.4 Replacement (Article 2494)

(Applicable to property insurance only)

Subject to the rights of preferred and hypothecary creditors, the Insurer reserves the right to repair, rebuild or replace the insured property. He is then entitled to salvage and may take over the property.

4.5 Time of payment (Articles 2469 and 2473)

The Insurer shall pay the indemnity within sixty days after receiving the notice of loss or, at this request, all relevant information and vouchers.

Any outstanding premium may be deducted from the indemnity payable.

4.6 Property of others

(Applicable to property insurance only)

Where a claim is made as a result of physical loss of or physical damage to property not owned by the Insured, the Insurer reserves the right to pay the indemnity to the Insured or to the owner of the property and to deal directly with such owner.

4.7 Waiver

Neither the Insurer nor the Insured shall be deemed to have waived any term or condition of the Policy by any act relating to arbitration or to the completion or delivery of proof of loss, or to the investigation or adjustment of the claim.

4.8 Action against Insurer

The Insured may not bring any action to recover the amount of a claim under this Policy unless the requirements of this Policy have been complied with nor until the amount of the loss has been ascertained by arbitration or by judgment against the Insured or by agreement between the parties with the written consent of the Insurer.

4.9 Limitation of actions (Article 2925)

Every action or proceeding against the Insurer under this Policy shall be commenced within three years from the date the right of action has arisen.

4.10 Subrogation (Article 2474)

Unless otherwise provided, the Insurer shall be subrogated to the extent of the amount paid or the liability assumed therefor under this Policy to the rights of the Insured against persons responsible for the loss except when they are members of the Insured's household. The Insurer may be fully or partly released from his obligation towards the Insured where, owing to any act of the Insured, he cannot be so subrogated.

5. OTHER INSURANCE

5.1 Property insurance (Article 2496)

The Insured who, without fraud, is insured by several insurers, under several policies, for the same interest and against the same risk so that the total amount of indemnity that would result from the separate performance of such policies would exceed the loss incurred may be indemnified by the insurer or insurers of his choice, each being liable only for the amount he has contracted for.

No clause suspending all or part of the performance of the contract by reason of other insurance may be used against the Insured.

Unless otherwise agreed, the indemnity is apportioned among the insurers in proportion to the share of each in the total coverage, except in respect of specified insurance, which constitutes primary insurance.

5.2 Liability insurance

The liability insurance provided under this Policy is primary insurance except when stated to apply in excess of, or contingent upon the absence of, other insurance. When this insurance is primary and the Insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the insured's liability under this Policy shall not be reduced by the existence of such other insurance.

When both this insurance and other insurance apply to the loss on the same basis whether primary, excess or contingent, the Insurer shall not be liable under this Policy for a greater proportion of the loss than that stated in the applicable contribution provision below:

- Contribution by equal share:

If all of such other collectible insurance provides for contribution by equal shares, this Insurer shall not be liable for a greater proportion of such loss than would be payable if each insurer contributed an equal share until the share of each insurer equals the lowest applicable limit of liability under any one policy or the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers then continue to contribute equal shares of the remaining amount of the loss until each such insurer has paid its limit in full or the full amount of the loss is paid.

- Contribution by limits:

If any such other insurance does not provide for contribution by equal shares, this Insurer shall not be liable for a greater proportion of such loss than the applicable limit of liability under this Policy for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

6. CANCELLATION (Articles 2477 and 2479)

This Policy may be cancelled at any time:

- (a) By any of the Named Insureds giving written notice. Termination takes effect upon receipt of the notice and the Insured shall therefore be entitled to a refund of the excess of the premium actually paid over the short-term rate for the expired time.

- (b) By the Insurer giving written notice to each Named Insured. The termination takes effect:
 - (i) if the Policy is cancelled for non-payment of premium, 15 days after notice is received by the Insured at the Insured's last known address;
 - (ii) if the Policy is cancelled for any other reason, 30 days after notice is received by the Insured at the Insured's last known address.

Termination takes effect under section (b)(i) 15 days following receipt of such notice by the Insured at his last known address, and under section (b)(ii) 30 days following receipt of such notice by the Insured at his last known address, and the Insurer shall refund the excess of premium actually paid over the pro rata premium for the expired time. If the premium is subject to adjustment or determination as to amount, the refund shall be made as soon as practicable.

Where one or more of the Named Insureds have been mandated to receive or send the notices provided for under paragraph (a) and (b) above, notices sent or received by them shall be deemed to have been sent or received by all Named Insureds.

In this Condition, the words "Premium actually paid" mean the premium actually paid by the Insured to the Insurer or its agent, but do not include any premium or part thereof paid to the Insurer by an agent unless actually paid to the agent by the Insured.

7. NOTICE

Any notice to the Insurer may be sent by any recognized means of communication to the Insurer or its authorized representative. Notice may be given to the Named Insured by letter personally delivered to him or by mail addressed to him at his last known address.

It is incumbent upon the sender to prove that such notice was received.

General Conditions

(This Policy is subject to the Civil Code of Quebec)

Reference to Civil Code articles in some instances is for easier reading only and should not be construed as exact quotations.

These General Conditions apply to all riders, endorsements, declarations pages and other policy forms attaching to this insurance policy; however, if any of the conditions of any such riders, endorsements, declarations and other policy forms attaching to this insurance policy are more favourable to the insured than those set out in these General Conditions, the conditions more favourable to the insured will prevail.

For all coverages except where inapplicable.

1. Statements

1.1 Representation of risk (Article 2408)

The client, and the Insured if the Insurer requires it, is bound to represent all the facts known to him which are likely to materially influence an insurer in the setting of the premium, the appraisal of the risk or the decision to cover it, but he is not bound to represent facts known to the Insurer or which from their notoriety he is presumed to know, except in answer to inquiries.

The client means the person submitting an insurance application.

1.2 Material change in risk (Articles 2466 and 2467)

The Insured shall promptly notify the Insurer of any change that increases the risks stipulated in the policy and that results from events within his control if it is likely to materially influence an insurer in setting the rate of the premium, appraising the risk or deciding to continue to insure it.

On being notified of any material change in the risk, the Insurer may cancel the contract or propose, in writing, a new rate of premium. Unless the new premium is accepted and paid by the Insured within thirty days of the proposal, the policy ceases to be in force.

1.3 Misrepresentations or concealment (Articles 2410, 2411 and 2466)

Any misrepresentation or concealment of relevant facts mentioned in section 1.1 and in the first paragraph of section 1.2 by the client or the Insured nullifies the contract at the instance of the Insurer, even in respect of losses not connected with the risk so misrepresented or concealed.

Unless the bad faith of the client or of the Insured is established or unless it is established that the Insurer would not have covered the risk if he had known the true facts, the Insurer remains liable towards the Insured for such proportion of the indemnity as the premium he collected bears to the premium he should have collected.

1.4 Warranties (Article 2412)

Any increase in risk resulting from a breach of warranty suspends the coverage until accepted by the Insurer or until such breach has been remedied by the Insured.

2. General Provisions

2.1 Insurable interest (Articles 2481 and 2484)

(Applicable to property insurance only)

A person has an insurable interest in a property where the loss or deterioration of the property may cause him direct and immediate damage. It is necessary that the insurable interest exist at the time of the loss but not necessary that the same interest have existed throughout the duration of the contract. The insurance of a property in which the Insured has no insurable interest is null.

2.2 Changes (Article 2405)

The terms of this policy shall not be waived or changed except by endorsement.

2.3 Assignment (Articles 2475 and 2476)

This policy may be assigned only with the consent of the Insurer and in favour of a person who has an insurable interest in the insured property.

Upon the death or bankruptcy of the Insured or the assignment of his interest in the insurance to a co-Insured, the insurance continues in favour of the heir, trustee in bankruptcy or remaining Insured, subject to his performing the obligations that were incumbent upon the Insured.

2.4 Books and records

The Insurer and its authorized representatives shall have the right to examine the Insured's books and records related to the subject matter of this insurance at any time during the period of this policy and the three subsequent years.

2.5 Inspection

The Insurer and its authorized representatives shall have the right but are not obligated to make inspections of the risk, inform the Insured of the conditions found and recommend changes. Any inspections, surveys, findings or recommendations relate only to insurability and the premiums to be charged. They shall not constitute a warranty that the premises, property or operations are safe or healthful or comply with laws, codes or standards.

2.6 Currency

All limits of insurance, premiums and other amounts as expressed in this policy are in Canadian currency.

3. Losses

3.1 Notice of loss (Article 2470)

The Insured shall notify the Insurer of any loss which may give rise to an indemnity, as soon as he becomes aware of it. Any interested person may give such notice.

In the event that the requirement set out in the preceding paragraph is not fully complied with, all rights to compensation shall be forfeited by the Insured where such non-compliance has caused prejudice to the Insurer.

3.2 Information to be provided (Article 2471)

The Insured shall inform the Insurer as soon as possible of all the circumstances surrounding the loss, including its probable cause, the nature and extent of the damage, the location of the insured property, the rights of third parties, and any concurrent insurance; he shall also furnish him with vouchers and swear or warrant to the truth of the information.

Where, for a serious reason, the Insured is unable to fulfil such obligation, he is entitled to a reasonable time in which to do so. If the Insured fails to fulfil his obligation, any interested person may do so on his behalf.

In addition, the Insured shall forthwith send to the Insurer a copy of any notice, letter, subpoena or writ or document received in connection with a claim.

3.3 False representation (Article 2472)

Any deceitful representation entails the loss or the right of the person making it to any indemnity in respect of the risk to which the representation relates.

However, if the occurrence of the event insured against entails the loss of both movable and immovable property or of both property for occupational use and personal property, forfeiture is incurred only with respect to the class of property to which the representation relates.

3.4 Intentional Fault (Article 2464)

The Insurer is never liable to compensate for injury resulting from the Insured's intentional fault.

Where there is more than one Insured, the obligation of coverage remains in respect of those Insureds who have not committed an intentional fault.

Where the Insurer is liable for injury caused by a person for whose acts the Insured is liable, the obligation of coverage subsists regardless of the nature or gravity of that person's fault.

3.5 Notice to police

(Applicable to property insurance only)

The Insured must promptly give notice to the police of any loss caused by vandalism, theft or attempted theft or other criminal act.

3.6 Safeguarding and examination of property (Article 2495)

(Applicable to property insurance only)

At the expense of the Insurer, the Insured must take all reasonable steps to prevent further loss or damage to the insured property and any further loss or damage resulting directly or indirectly from the Insured's failure to take such action shall not be recoverable.

The Insured may not abandon the damaged property if there is no agreement to that effect. The Insured shall facilitate the salvage and inspection of the insured property by the Insurer.

He shall, in particular, permit the Insurer and his representatives to visit the premises and examine the insured property before repairing, removing or modifying the damaged property, unless so required to safeguard the property.

3.7 Admission of liability and cooperation

The Insured shall cooperate with the Insurer in the processing of all claims.

(The following two paragraphs are applicable to liability insurance only: Article 2504)

No transaction made without the consent of the Insurer may be set up against him.

The Insured shall not admit any liability nor settle or attempt to settle any claim, except at his own risk.

3.8 Right of action (Article 2502)

(Applicable to property insurance only)

The Insurer may set up against the injured third person any grounds he could have invoked against the Insured at the time of the loss, but not grounds pertaining to facts that occurred after the loss; the Insurer has a right of action against the Insured in respect of facts that occurred after the loss.

4. Compensation and Settlement

4.1 Basis of settlement (Articles 2490, 2491, 2493)

(Applicable to property insurance only)

Unless otherwise provided, the Insurer shall not be liable for more than the actual cash value of the property at the time of the loss as normally determined.

In unvalued policies, the amount of insurance does not make proof of the value of the insured property. In valued policies, the agreed value makes complete proof, between the Insurer and the Insured, of the value of the insured property.

If the amount of insurance is less than the value of the property, the Insurer is released by paying the amount of the insurance in the event of total loss or a proportional indemnity, in the event of partial loss.

4.2 Pair and set (Applicable to property insurance only)

In the case of loss of or damage to any article or articles, whether scheduled or unscheduled, which are part of a set, the measure of loss of or damage to such article or articles shall be a reasonable and fair proportion of the total value of the set, but in no event shall such loss or damage be construed to mean total loss of set.

4.3 Parts (Applicable to property insurance only)

In the case of loss of or damage to any part of the insured property, whether scheduled or unscheduled, consisting, when complete for use, of several parts, the Insurer is not liable for more than the insured value of the part lost or damaged, including the cost of installation.

4.4 Replacement (Article 2494)

(Applicable to property insurance only)

Subject to the rights of preferred and hypothecary creditors, the Insurer re-serves the right to repair, rebuild or replace the insured property. He is then entitled to salvage and may take over the property.

4.5 Time of payment (Articles 1591, 2469 and 2473)

The Insurer shall pay the indemnity within sixty days after receiving the notice of loss or, at his request, all relevant information and vouchers, provided the Insured shall have complied with all the terms of the contract.

Any outstanding premium may be deducted from the indemnity payable.

4.6 Property of others

(Applicable to property insurance only)

Where a claim is made as a result of loss of or damage to property not owned by the Insured, the Insurer reserves the right to pay the indemnity to the Insured or to the owner of the property and to deal directly with such owner.

4.7 Waiver

Neither the Insurer nor the Insured shall be deemed to have waived any term or condition of the policy by any act relating to arbitration or to the completion or delivery of proof of loss, or to the investigation or adjustment of the claim.

4.8 Limitation of actions (Article 2925)

Every action or proceeding against the Insurer under this policy shall be commenced within three years from the date the right of action has arisen.

4.9 Subrogation (Article 2474)

Unless otherwise provided, the Insurer shall be subrogated to the extent of the amount paid or the liability assumed therefor under this policy to the rights of the Insured against persons responsible for the loss except when they are members of the Insured's household. The Insurer may be fully or partly released from his obligation towards the Insured where, owing to any act of the Insured, he cannot be so subrogated.

5. Other Insurance

5.1 Property insurance (Article 2496)

The Insured who, without fraud, is insured by several insurers, under several policies, for the same interest and against the same risk so that the total amount of indemnity that would result from the separate performance of such policies would exceed the loss incurred may be indemnified by the insurer or insurers of his choice, each being liable only for the amount he has contracted for.

No clause suspending all or part of the performance of the contract by reason of other insurance may be used against the Insured.

Unless otherwise agreed, the indemnity is apportioned among the insurers in proportion to the share of each in the total coverage, except in respect of specific insurance, which constitutes primary insurance.

5.2 Liability insurance

The liability insurance provided under this policy is primary insurance except when stated to apply in excess of, or contingent upon the absence of, other insurance. When this insurance is primary and the Insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the Insurer's liability under this policy shall not be reduced by the existence of such other insurance. When both this insurance and other insurance

apply to the loss on the same basis whether primary, excess or contingent, the Insurer shall not be liable under this policy for a greater proportion of the loss than that stated in the applicable contribution provision below:

– Contribution by equal share:

If all of such other collectible insurance provides for contribution by equal shares, this Insurer shall not be liable for a greater proportion of such loss than would be payable if each insurer contributed an equal share until the share of each insurer equals the lowest applicable limit of liability under any one policy or the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers then continue to contribute equal shares of the remaining amount of the loss until each such insurer has paid its limit in full or the full amount of the loss is paid.

– Contribution by limits:

If any such other insurance does not provide for contribution by equal shares, this Insurer shall not be liable for a greater proportion of such loss than the applicable limit of liability under this policy for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

6. Cancellation (Articles 2477 and 2479)

This policy may be cancelled at any time:

- (a) By mere written notice from each of the Named Insureds. Termination takes effect upon receipt of the notice and the Insured shall therefore be entitled to a refund of the excess of the premium actually paid over the short-term rate for the expired time.
- (b) By the Insurer giving written notice to each of the Named Insureds. Termination takes effect fifteen days following receipt of such notice by the Insured at his last known address and the Insurer shall refund the excess of premium actually paid over the pro rata premium for the expired time. If the premium is subject to adjustment or determination as to amount, the refund shall be made as soon as practicable.

Where one or more of the Named Insureds have been mandated to receive or send the notices provided for under paragraph (a) or (b) above, notices sent or received by them shall be deemed to have been sent or received by all Named Insureds.

In this Condition, the words “premium actually paid” mean the premium actually paid by the Insured to the Insurer or its representative, but do not include any premium or part thereof paid to the Insurer by a representative unless actually paid to the representative by the Insured.

7. Notice

Any notice to the Insurer may be sent by any recognized means of communication to the Insurer or its authorized representative. Notice may be given to the named Insured by letter personally delivered to him or by mail addressed to him at his last known address.

It is incumbent upon the sender to prove that such notice was received.

Action

Every action or proceeding against an Insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act.

STANDARD MORTGAGE CLAUSE

(approved by The Insurance Bureau of Canada)

This clause is only applicable where the Interest of the Mortgagee is on the Building(s), and does not apply to any other type of property insured under the Policy. This clause also only applies to those mortgages who are specifically listed on the Memorandum of Insurance as loss payees.

IT IS HEREBY PROVIDED AND AGREED THAT:

BREACH OF CONDITIONS BY MORTGAGOR, OWNER OR OCCUPANT

1. This insurance and every documented renewal thereof - AS TO THE INTEREST OF THE MORTGAGEE ONLY THEREIN - is and shall be in force notwithstanding any act, neglect, omission or misrepresentation attributable to the mortgagor, owner or occupant of the properly insured, including transfer of interest, any vacancy or non-occupancy, or the occupation of the property for purposes more hazardous than specified in the description of the risk;

PROVIDED ALWAYS that the Mortgagee shall notify forthwith the Insurer (if known) of any vacancy or non-occupancy extending beyond sixty (60) consecutive days, or of any transfer of interest or increased hazard THAT SHALL COME TO HIS KNOWLEDGE, and that every increase of hazard (not permitted by the Policy) shall be paid for by the Mortgagee - on reasonable demand - from the date such hazard existed, according to the established scale of rates for the acceptance of such increased hazard, during the continuance of this insurance.

RIGHT OF SUBROGATION

2. Whenever the Insurer pays the Mortgagee any loss award under this Policy and claims that - as to the Mortgagor or Owner - no liability therefore existed, it shall be legally subrogated to all rights of the Mortgagee against the Insured; but any subrogation shall be limited to the amount of such loss payment and shall be subordinate and subject to the basic right of the Mortgagee to recover the full amount of its mortgage equity in priority to the Insurer; or the Insurer may at its option pay the Mortgagee all amounts due or to become due under the mortgage or on the security thereof, and shall thereupon receive a full assignment and transfer of the mortgage together with all securities held as collateral to the mortgage debt.

OTHER INSURANCE

3. If there be other valid and collectible insurance upon the property with loss payable to the Mortgagee - at law or in equity - then any amount payable there under shall be taken into account in determining the amount payable to the Mortgagee.

WHO MAY GIVE PROOF OF LOSS

4. In the absence of the Insured, or the inability, refusal or neglect of the Insured, to give notice of loss or deliver the required Proof of Loss under the Policy, the Mortgagee may give the notice upon becoming aware of the loss and deliver as soon as practicable the Proof of Loss.

TERMINATION

5. The term of this mortgage clause coincides with the term of the Policy, PROVIDED ALWAYS that the Insurer reserves the right to cancel the Policy as provided by Statutory provision but agrees that the Insurer will neither terminate nor alter the Policy to the prejudice of the Mortgagee without the notice stipulated in such Statutory provision.

FORECLOSURE

6. Should title or ownership to said property become vested in the Mortgagee and/or assigns as owner or purchaser under foreclosure or otherwise, this insurance shall continue until expiry or cancellation for the benefit of the said Mortgagee and/or assigns.

SUBJECT TO THE TERMS OF THIS MORTGAGE CLAUSE (and these shall supersede any Policy provisions in conflict therewith BUT ONLY AS TO THE INTEREST OF THE MORTGAGEE), loss under this Policy is made payable to the Mortgagee.
